Why CoEvolves

Let Us Do the Heavy Lifting

Our team has worked closely with insurance stakeholders for 20+ years. We are the most knowledgeable and experienced when it comes to regulatory reporting, data integration, and connectivity.

**Accelerate Digital Transformation**

Our products fast-track your digital capabilities and remove friction from your processes.

**Enterprise-Grade Security**

SOC 2 Type II certified with end-to-end encryption and role-based access controls.

**Minimize Implementation Impact**

Our methodology speeds up implementation and minimizes impact to your business operations.

**Dedicated Support Team**

Technical team dedicated to meeting your ongoing needs with 24/7 support availability.

**Enterprise Ready**

Built for scale with enterprise-grade infrastructure supporting millions of transactions.

**Cloud Native**

Fully cloud-based solution with automatic updates and no on-premise infrastructure required.

Real-Time Analytics

Instant insights with customizable dashboards and automated reporting.

Proven Results

40% of Canadian direct written premium managed through our platform.

Testimonials

Trusted by Industry Leaders

CoEvolves has transformed how we handle regulatory reporting. What used to take weeks now takes hours.

Sarah Chen

VP of Operations, Pacific Insurance Group

The agent collaboration platform has improved our broker relationships dramatically. Real-time connectivity is a game changer.

Michael Torres

Chief Digital Officer, Atlantic Mutual

There is nothing even close to this program in the industry. This is a necessity for any modern insurer.

Jennifer Park

Director of Technology, Summit Insurance Corp

Ready for Results?

A suite of tools all designed to make your processes simpler. A technical team dedicated to meeting your ongoing needs.
